"The Microsoft PR machine told me it's time stop joking for minute and do something to token earn my \$ billions of annual net profit. My belief is that Clinton administration were infidels and I'm happy to declare NEW profit Dubya to take up preaching where old profit Ronnie Reagan left off, peace be with him. And mother Barbara get free Windows upgrade for well handled silver spoon, and Kenny Boy too for teaching me the D.C. shuffle, ha ha ha... Dallah be thanked."
